Date: 09/06/2023

NOTICE

Dear Parents,

It's a great pleasure for us to have the children back in school after the summer recess. But unfortunately the weather seems to be not permissible enough. Given the tremendous heat wave ensuing we would request you to send your children keeping in mind their health and well-being. Here at school though we assure to be vigilant towards them and every care would be taken to keep them comfortable. Pre-primary section children if uncomfortable with the full pant, can be sent in casuals till better weather conditions. We here at JDS Public School are always at help to cater to options for children benefit.

Hope to see the school buzzing with the sweet chatter of our dear students on Monday 12th of June.
